RECEIPT BY THE MAYOR

I, Nomvuyo Mposelwa..... the Mayor of Senqu Local Municipality, hereby accept the THIRD QUARTER SERVICE DELIVERY AND BUDGET IMPLEMENTATION report for the 2016/2017 financial year as prepared in accordance with the Municipal Finance Management Act of 2003 and regulations made under the Act.

LEGAL BASIS

In terms of Section 53 (1) of the MFMA Act of 2003, the mayor of the municipality must take all reasonable steps to ensure that the municipality's service delivery and budget implementation plan is approved by the mayor within 28 days after the approval of the budget.

Annual performance agreements as required in terms of section 57 (1)(6) of the municipal systems act for the municipal manager and all senior managers must also be concluded and they must be linked to the measurable performance objectives approved with the budget and to the service delivery and budget implementation plan.

The SDBIP and these performance agreements therefore give effect to the integrated development plan (IDP) and budget of the municipality in ensuring that the execution of the budget, performance of senior management and achievement of the strategic objectives set by the council are monitored.

The MFMA stipulates general responsibilities of Mayors. Section 52(d) of the Act requires that a mayor of a municipality must, within 30 days of the end of each quarter, submit a report to the council on the implementation of the budget and the financial state of affairs of the municipality.

RESOLUTION

- That the third quarter report of 2016/2017 financial year on the implementation of the service delivery and budget implementation plan of the municipality be noted and approved.
