6. EVALUATING PERFORMANCE

- 6.1. The Performance Plan (Annexure A) sets out -
 - 6.1.1. The standards to be met by the **Employee**; and
 - 6.1.2. The intervals for the evaluation of the **Employee's** performance.
- 6.2. Despite the establishment of agreed intervals for evaluation, the Employer may in addition review the Employee's performance at any stage while the contract of employment remains in force.
- 6.3. Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan and or Action Plan as well as the actions agreed to and implementation must take place within set time frames.
- 6.4. The Employee's performance shall be measured in terms of contributions to the goals and strategies set out in the Employer's IDP.
- 6.5. The annual performance review shall involve:
 - 6.5.1. Assessment of the achievement of results as outlined in the performance plan:

 Annexure A
 - Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.
 - An indicative rating on the five-point scale should be provided for each KPA.
 - This rating should be multiplied by the weighting given to each KPA during the contracting process, to provide a score.

6.5.2. Assessment of the Leadership and Core Competencies

- Each Leadership and Core Competency should be assessed according to the extent to which the specified standards have been met.
- An indicative rating on the five-point scale should be provided for each Leadership and Core Competency.
- This rating should be multiplied by the weighting given to each Leadership and Core Competency during the contracting process, to provide a score.
- The applicable assessment-rating calculator must then be used to add the scores and calculate a final Leadership and Core Competency score.

SENQU LOCAL MUNICIPALITY 2019/2020 PERFORMANCE AGREEMENT

6.5.3. Overall rating

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisal.

6.6. The assessment of the performance of the Employee will be based on the following rating scale for KPA's and Leadership and Core Competencies:

Level	Terminology	Descriptions		R	lating	5	
			1	2	3	4	5
5	Outstanding performance	Performance far exceeds the standard expected of an employee at this level. The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the Performance Agreement and Performance Plan and maintained this in all areas of responsibility throughout the year.					
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators per KPA and fully achieved all others throughout the year.					
3	Fully effective	Performance fully meets the standards expected in all areas of the job. The appraised indicates that the Employee has fully achieved effective results against all significant performance criteria and indicators as specified in the Performance Agreement and Performance Plan.					
2	Not fully effective	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against more than half the key performance criteria and indicators as specified in the Performance Agreement and Performance Plan.					
1	Unacceptable performance	Performance does not meet the standard expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the Performance Agreement and Performance Plan. The employee has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job, despite management efforts to encourage improvement.
